

# INTERNATIONAL ASSOCIATION OF EXPERTS ON EARTHQUAKE ENGINEERING

## INFORMATIVE MESSAGE - 1

**Dear colleagues, partners and friends!**

The International Association of Experts on Earthquake Engineering [IAEEE] announces the **VI International Scientific and Practical Conference on Earthquake Engineering**, which will be held on **June 22 – 30, 2026** in Bishkek and Issyk-Kul.

This conference is organized by the Ministry of Construction, Architecture and Housing and Communal Services of the Kyrgyz Republic [Minstroy KR] and the International Association of Experts on Earthquake Engineering [IAEEE].

The traditional meeting will accelerate the progress of previously set, common goals and objectives related to challenges on seismic safety and increasing the seismic resistance of buildings and structures.

It is planned to hold presentations with papers by prominent scientists, researchers and major specialists from around the world.

**The topics of the papers are multifaceted:** development of design code[s] on earthquake-resistant structures; vibration dynamic testing of low-rise and high-rise buildings; seismic design and ductile behavior of RC frame buildings; industrialization of construction and energy efficiency; design of seismic isolation systems; earthquake insurance of buildings; advantages of BIM technology in design and construction, earthquake lessons for ensuring seismic safety, etc.

**The conference will be held in 3 stages:** **June 22-23** in the form of a general plenary session with papers; **June 24** - participation in vibration dynamical testing and travel to Issyk-Kul; **June 25-30** - sectional sessions and conference conclusion.

The first two days, **June 22 and 23**, the conference will be held in English and Russian with simultaneous translation, and on the remaining days with consecutive translation.

Scientific articles will be published in the periodical journal "*Journal of the International Association of Experts on Earthquake Engineering*", which has a DOI number and is included in the Russian Science Citation Index [RSCI].

- The **IAEEE VI Conference website** will be announced additionally.
- The articles and papers shall be sent to email address: **seismokg@mail.ru**.
- **Online registration** is open until **June 1, 2026**: <https://forms.intuit.kg/r/maess-2026/>
- The deadline for sending texts [of articles and papers] is **June 8, 2026**.
- **Conference locations:** June 22-23 in Bishkek and June 25-30 in Issyk-Kul [*"Issyk-Kul" Hotel*].

Sincerely,  
President

**Ulugbek Begaliev**
